# **ANNUAL REPORT**

**1915-16**

**TOWN OF GREENWOOD**

## Rural School Betterment.

No man should find it necessary to remove from his farm home to educate his children. A good system of rural schools is Maine's best aid to the development of Maine agriculture.

### A Program of Improvement.

- The teacher:—** A properly qualified teacher—with adequate pay—for every country child.
- The building:—** A comfortable and attractive building, with proper heating, ventilation and lighting. Sanitary out-buildings kept clean and decent through daily inspection.
- The grounds:—** Ample school grounds with plenty of space for play and some provision for school gardens.
- The equipment:—** A full supply of good textbooks in clean and wholesome condition. A few up-to-date maps, a globe, necessary reference books including dictionaries, a school library with books both for the school and the community, and a few good pictures.
- The course of study:—** A reasonably, but not rigidly, classified or graded course of study, with adequate attention to the fundamentals, with large opportunity for hand work and with every possible connection between the experiences of the school and the actualities of life.
- Supervision:—** Expert supervision—made possible to all towns through the system of unions of towns with state aid.
- Community support and interest:—** The school building a social center, used under the leadership of teacher and superintendent to promote all the educational interests of the community.

The foregoing program is not radical. It involves only the fundamental points of a good school system. There is no reason why all these factors may not soon be realized by all communities as they are already realized by some. To accomplish them is the work of superintendents, teachers and public spirited citizens. Will You Help?

PAYSON SMITH,  
*State Superintendent of Public Schools.*

ANNUAL REPORT

— OF THE —

OFFICERS

— OF THE —

**TOWN OF GREENWOOD**

— FOR THE —

YEAR ENDING MAR. 1,

1916.

FRED B. MERRILL, Printer, Bethel, Maine.

## Warrant for Town Meeting

---

To G. W. Richardson, a constable in the town of Greenwood, in the County of Oxford.

GREETING:—In the name of the State of Maine you are hereby required to notify and warn the inhabitants of said Greenwood, qualified by law to vote in town affairs, to meet at Hotel Hall, at Locke's Mills, in said town, on Monday, the sixth day of March, 1916, at ten o'clock in the forenoon to act on the following articles, to wit:—

Art. 1. To choose a Moderator to preside at said meeting.

Art. 2. To choose a Town Clerk for the ensuing year.

Art. 3. To choose Selectmen, Assessors and Overseers of the Poor, Treasurer, one member of the Superintending School Committee (for three years), and all other necessary town officers for the ensuing year.

Art. 4. To fix the pay of the Road Commissioners and establish the number of Commissioners to be appointed by the Selectmen.

Art. 5. To see if the town will vote "yes" or "no" upon the adoption of the provisions of Chapter 130 of the Public Laws of Maine for the year 1913, relating to the appropriation of money necessary to entitle the town to State aid for highways for the year 1916.

Art. 6. To see if the town will raise and appropriate in addition to the amount regularly raised and appropriated for the care of ways, highways and bridges, the sum of \$533 being the maximum amount which the town is allowed to raise under the provisions of Section 19 of Chapter 130 of the Public Laws of 1913.

Art. 7. To raise money for the repair of roads and bridges for the ensuing year.

Art. 8. To raise money for snow bills for 1916-17.

Art. 9. To raise money for building sidewalk at Locke's Mills, and see if the town will instruct the Selectmen to expend the money raised in 1915 for sidewalks before July 15, 1916.

Art. 10. To raise money for the support of poor for the ensuing year.

Art. 11. To raise money for the support of schools for the ensuing year.

Art. 12. To raise money for the purchase of school books.

Art. 13. To raise money for repairs on schoolhouses and the purchase of appliances and supplies for the ensuing year.

Art. 14. To raise money for the Free High school fund.

Art. 15. To see if the town will vote to authorize the Superintending School Committee to join with the town of Bethel for the purpose of employing a Superintendent of Schools in accordance with the provisions of Sections 40 to 45 inclusive of Chapter 15 of the Revised Statutes and raise money for his salary.

Art. 16. To raise money to pay interest for the ensuing year.

Art. 17. To raise money to defray town charges.

Art. 18. To raise money for the extermination of the moth pest.

Art. 19. To raise money for the maintenance of State aid highways as provided by Chapter 130 of the Public Laws of 1913.

Art. 20. To see if the town will raise money for rebuilding the bridge, or putting in a culvert near E. P. Farrington's and fix the amount.

Art. 21. To see if the town will vote to raise the sum of \$250 to be expended under the provisions of a Special Resolve of the last Legislature, on the road from Locke's Mills to Bryant's Pond.

Art. 22. To see if the town will raise a sum of money for repairing the town farm barn and fix that sum.

Art. 23. To see if the town will vote to sell the property of the late Calvin Cole and if so to fix the terms of such sale and to authorize the Selectmen to deed said property by appropriate conveyance.

Art. 24. To see if the town will vote to convey by Quit Claim deed its interest in the homestead farm of C. B. Whitman to Eugene F. Smith in consideration of the payment of all tax deeds and interest by said Smith and to authorize the Selectmen to sign such deed in behalf of the town.

Art. 25. To see what action the town will take in regard to celebrating the 100th anniversary of its incorporation, and raise money for the same, appoint a committee of arrangements, and take such other action as may be deemed necessary.

Art. 26. To see if the town will vote to insure its school-houses and raise money for the same.

Art. 27. To see if the town will vote to instruct the Superintending School Committee to maintain schools in districts Nos. 1, 3, 5, 7, 8, 9 and 11 or otherwise.

Art. 28. To see what sum of money the town will vote to raise for the purchase of flags for schoolhouses and their maintenance.

Art. 29. To see what action the town will take in regard to buying a new road machine and raise money for the same.

The Selectmen will be in session at Hotel Hall at nine o'clock of the day of said meeting to revise and correct the list of voters.

Given under our hands at Greenwood this 9th day of February, 1916.

H. M. SWIFT,  
E. L. DUNHAM,  
F. J. COLE,

Selectmen of Greenwood.

## Report of Selectmen

Selectmen of Greenwood.

I hereby certify that I have examined the accounts of the Selectmen, and find them correct.

M. H. HARRINGTON, Auditor.

## Report of Superintendent of Schools

---

To the Citizens of Greenwood:

I herewith submit my first report as Superintendent of Schools. Because my duties here began July 1, 1915, I shall deal chiefly with the work of the last two terms, and our present needs.

At a meeting held early in the summer the schoolboard voted to furnish no conveyance and to reduce teachers' wages in order to maintain the schools thirty weeks as required by law and yet not overdraw the amount available for common schools. The maximum weekly wage of teachers was fixed at \$12.00, and the minimum at \$8.00. Six schools had failed to maintain an average attendance of eight and a special town meeting was necessary to open them since no provision had been made at the annual meeting for this exigency.

Our teaching force largely new last fall numbers eleven and all have remained through the winter term. Normal graduates were assigned to Locke's Mills Grammar and to Greenwood City. The teachers of Locke's Mills Primary and Tubb's Schools have attended summer schools. All four of these have two or more years experience. Of the others four have from two to fifteen terms experience and three are inexperienced.

The work done in nearly all the schools has been as good as we could reasonably expect. Every teacher has labored diligently and conscientiously, seeking to promote the welfare of her pupils. Though some are handicapped by lack of training yet each has shown that she is willing to help and be helped. The Superintendent has yet to receive his first complaint from a parent about any of the

eight new teachers engaged. The work at Locke's Mills in both rooms has been especially good. Of an enrollment of 29 in the Grammar room 15 were not absent half a day and the high average of 28.12 was maintained for the winter term. In addition to her regular work the teacher has been aiding two boys in high school studies. It is with much regret that we are obliged to accept the resignation of Miss Ruth Farrington to take effect at once and that of Miss Jefferds at the end of the school year.

The State of Maine course of study was adopted beginning with the fall term and has been followed except where local needs seemed to demand certain changes. In order that scholars might have more knowledge of their own town, its neighbors and the state in general, U. S. Geological Survey maps and a Maine Register have been placed in the schools at the small cost of twelve cents per school. The same methods of reading and writing have been continued and the same kinds of text-books have been used that were used last year. Teachers and pupils have added materially to the equipment of their schools by furnishing a bookcase, door mat, sanitary water jar, busy work, books, pictures, etc. Hot lunches have been served at noon at the Bryant, Tubb's and Locke's Mills schools.

One meeting of all of the teachers was held at Locke's Mills. Every teacher had something worth while to say and the result was a very valuable interchange of ideas. A parent-teacher association was organized at Locke's Mills. Article II of the constitution reads, "Its object shall be to bring into closer relations the home and the school, that parent and teacher may cooperate intelligently in the education of the child." All who are interested in the welfare of children whether parent or not are welcome to the meetings. We hope to extend similar work to other parts of the town.

#### REPAIRS AND SUPPLIES.

The school board following its custom assumed control of the larger repairs. The schoolhouse and shed at Greenwood Center were shingled and a new stove replaced the

old one. Minor repairs were made at most of the other schools. The antiquated seats and desks at Nos. 1, 7, and 9 should be replaced by modern ones if schools are to be maintained there. A more sanitary method of providing water for drinking purposes should be provided for every school. This would cost less than \$2.00 per school. Shingling will be necessary within a year or two at Nos. 4 and 9.

#### SCHOOL ACCOUNTS.

Every school bill of which I have any knowledge including secondary school tuition has been fully paid to the end of the winter term. Locke's Mills schools were maintained a week longer than the others thereby causing a small overdraft. They will therefore have an eleven week spring term and the others twelve. The amount charged for tuition for pupils from other towns in Greenwood schools is now forty cents the week for each pupil. By this means an increase of nearly \$40.00 was added to the common school funds. The State recognized our needs and increased the equalization fund by \$100.00. School accounts are open at all times to the inspection of any citizen of Greenwood.

#### RECOMMENDATIONS.

At its last meeting the Superintending School Committee voted to recommend that the town raise the following amounts:

For common schools,	\$1,550.00
For text-books,	125.00
For repairs, supplies and appliances,	150.00
For tuition in secondary schools, whatever sum the Superintendent deemed necessary.	
Because of a probable large increase of high school pupils I recommend,	\$200.00

In the interest of efficiency and economy and for the best interests of the pupils themselves, I recommend that the question of maintaining those schools where the average attendance is below eight be left to the decision of the schoolboard. No Greenwood school should be main-

tained for less than five pupils.

Any suggestions looking to the betterment of our schools, or their more economical maintenance will be gladly received. In conclusion I wish to thank all who have contributed in any way to providing better educational opportunities for the boys and girls of Greenwood and to especially thank the members of the Superintending School Committee for the aid they have rendered.

Respectfully submitted,

FRANK H. BYRAM.
